

HOW TO “LOAD” AN EXISTING PDF STYLE

INDESIGN 2.0

1. Download the PDF Style to your computer. We suggest that you save the file to a location on your hard drive that will not likely be deleted.
2. With InDesign 2.0 open, choose *File > PDF Styles*
3. In the PDF Styles dialog box, click *Load*.
4. Locate the PDF Style downloaded from our website and choose it. Click *Open*.
5. Close the dialog boxes.
